

AMERICAN STUDIES MINOR

"What is America?" and "What does it mean to be American?" The American studies area encourages students to ask these questions for themselves and to develop well-researched answers rather than to accept conventional definitions. The undergraduate program in American studies offers its majors and minors the opportunity to explore American traditions, institutions, literature, and arts and exposes students to a diversity of American experiences and perspectives. Students may petition the director of undergraduate studies to have courses not listed approved to fulfill major or minor requirements; such courses will be evaluated on a case-by-case basis.

Requirements

In addition to the program requirements listed below, students must:

- take at least nine hours of their minor "core" requirements at UNC–Chapel Hill
- earn a minimum cumulative GPA of 2.000 in the minor core requirements. Some programs may require higher standards for minor or specific courses.

For more information, please consult the degree requirements section of the catalog (<https://catalog.unc.edu/undergraduate/degree-requirements/>).

The undergraduate minor in American studies consists of five courses in American studies.
